*Delivering for the Community*

community focus | track record of delivering results | financially responsible

## Letter to Residents

Councillor Angelo Rozos has lived in Willoughby City all his life, having attended local schools and choosing to raise his young family here with his wife Megan. Angelo is currently serving the community as a Willoughby City Councillor.

Angelo has prided himself on being accessible to his community, and is pleased to announce he is running as a candidate for Mayor of this great city of Willoughby.

Angelo has a clear vision for our city, and wants to see a change to the way the Council operates and engages with the community.

Angelo has a proven track record in delivering results and can be trusted to get the job done while maintaining financial responsibility. He is the Founder and Managing Director of a specialist recruitment firm, and is a strong advocate for local small businesses.

## What has Angelo achieved on Council?

*Willoughby Park Centre 2012*

### Upgrades to Willoughby Park Centre

On council, Angelo successfully fought for a much needed and significant upgrade of Willoughby Park Centre which was completed in 2016.

### Improved Parking for residents in Chatswood

Angelo was successful in ensuring Chatswood Chase retained its three hours of free parking instead of the proposed reduction to two hours. Angelo continues to advocate for more accessible public parking across the City, and has achieved a resolution on the issue of boat parking in Castlecrag, Northbridge and Willoughby.

### Sound Financial Management

Angelo is committed to delivering more front line services and cutting Council red-tape.

Stopped parking meters to support night economy and

restaurants in Chatswood

Angelo stopped the proposed introduction of night time parking meters in Chatswood.

Angelo is a strong small business supporter and has given a voice to our local shopping villages.

Strong supporter and advocate for our sporting teams and local parks

Angelo has been a passionate supporter of our local sporting and open space initiatives in Council. These include upgrades to sporting lights, pavilions and playgrounds across Willoughby City.

## Angelo's vision for Willoughby City

- A more engaging and responsive Council with less talk, more action.
- A pro-active approach in managing the growth and appropriate development of our City, with council promoting a vibrant nightlife in the Chatswood CBD.
- Delivering the much needed revamp of the Northbridge Plaza car park in consultation with local residents, with the possibility of integrating community and recreational facilities.
- Implementing responsible financial management to cut the unnecessary costs in council and deliver more front line services.
- Moving to upgrade Chatswood Park in a manner responsive to community needs ensuring the best use of this local asset.
- Safeguarding our neighbourhoods against over-development.
- Investigating weekend traffic improvements, including community transport options.
- Effective youth engagement by council to achieve better outcomes for our younger residents.

Please support me on September 9th to implement this vision. I look forward to meeting you over the coming weeks and getting your feedback on local issues.
